

APPENDIX 7: WORKING GROUP BRIEF & MEMBERSHIP

Brief

The Group is carrying out consultation and investigation on behalf of Lyme Regis Town Council under the joint aegis of the Lyme Regis Society and of *Lyme Forward*, the Market & Coastal Towns consultation and regeneration planning initiative.

Objectives

To assess, through consultation, public views on:

- the *purposes* to be served by the reinstated shelters
- the *elements & facilities* therefore to be included
- the *design criteria* (aesthetic, functional, historical, relationship to adjacent structures & landscape, etc) to be incorporated.

To identify the *constraints* that will affect the final design:

- geophysical factors
- state of existing structures
- limits on any extension upwards / forwards
- conservation issues
- financial
- legal
- management, security and maintenance.
