

Committee: Full Council

Date: 17 July 2024

Title: Addendum to Full Council Agenda of 17 July 2024

Purpose of Report

To allow an additional item to be considered by the Full Council meeting on 17 July 2024 to appoint Cllr David Holland to committees and external bodies

Recommendation

The council appoints Cllr David Holland to his chosen committees and any external bodies

Background

1. There are reports elsewhere on this agenda to allow members to appoint to committees and external bodies.

Report

2. Following the issuing of the agenda, Dorset Council informed the town council the election for the town councillor vacancy was uncontested and David Holland had therefore been elected uncontested.
3. To allow Cllr Holland to fully take part in council activities straight away, it is suggested he is also appointed to committees under agenda item 20 and to external bodies under agenda item 21.
