Notice is hereby given of an extraordinary meeting of the **Lyme Regis Town Council** to be held on the Zoom video conferencing facility <https://us02web.zoom.us/j/87830177911> on Wednesday 7 April 2021 commencing at 7pm when the following business is proposed to be transacted:

John Wright
Town Clerk
30.03.21

This is a formal council meeting, where the same standards of behaviour as normal are expected and all members are bound by the code of conduct.

This meeting will be recorded and recordings will be held for one year by the town council. If members of the public make a representation to the meeting, they will be deemed to have consented to being audio recorded.

If you wish to speak, please raise your hand and you will be invited to speak by the chairman, at which point your microphone will be unmuted.

Voting will also take place by show of hands and the chairman will indicate the votes have been noted.

If members have a pecuniary interest, they will be placed in the 'waiting room' where they cannot hear or participate in discussion and voting.

*Members of the public can make representations at the beginning of the meeting in the usual way. **To ensure the smooth running of the meeting, members of the public are asked to provide advance notice and details of the issue they intend to raise.***

If technical issues occur, the meeting may be paused to re-establish a connection. If a technological failure prevents the public from accessing the meeting or the meeting is no longer quorate, the chairman may adjourn the meeting.

Members are reminded that in reaching decisions they should take into consideration the town council's decision to declare a climate emergency and ambition to become carbon neutral by 2030 and beyond.

AGENDA

1. Public Forum

Twenty minutes will be made available for public comment and response in relation to items on this agenda

Individuals will be permitted a maximum of three minutes each to address the committee

2. Apologies

To receive and record any apologies and reasons for absence

3. Disclosable Pecuniary Interests

Members are reminded that if they have a Disclosable Pecuniary Interest on their register of interests relating to any item on the agenda they are prevented from participating in any discussion or voting on that matter at the meeting and to do so would amount to a criminal offence. Similarly if you are or become aware of a Disclosable Pecuniary Interest in a matter under consideration at this meeting which is not on your register of interests or is in the process of being added to your register you must disclose such interest at this meeting and register it within 28 days.

4. Dispensations

To note the grant of dispensations made by the town clerk in relation to the business of this meeting

5. Allocation of Community Grants 2021/22

To provide information to assist members in the allocation of minor and medium grants to local organisations

Committee: Extraordinary Full Council

Date: 7 April 2021

Title: Allocation of Community Grants 2021/22

Purpose of Report

To provide information to assist members in the allocation of community grants to local organisations in 2021/22

Recommendation

Members agree the allocation of community grants for 2021/22 to organisations who have satisfied the Community Grants' Policy and Procedure

Background

1. On 13 November 2019, the Strategy and Finance Committee considered a report on future grant allocations. It was subsequently resolved by the Full Council on 20 November 2019 'to set the total amount of grants to local organisations in 2020/21, 2021/22, 2022/23, 2023/24 and 2024/25 at £80,000 per year'.
2. At the same committee meeting, members discussed the grant categories and agreed proposals would be brought back to members to replace the minor/medium/major grants with a 'social fund' and 'discretionary grants'.
3. On 17 December 2019, the Strategy and Finance Committee considered a further report on grants. It was subsequently resolved by the Full Council on 8 January 2020 to approve the introduction of term grants with a budget of £60,000 and community grants with a budget of £20,000.
4. The processes and timetables for inviting grant applications and making decisions on their allocation was also agreed.
5. At the Full Council meeting on 8 January 2020, members approved policies and procedures for both grant categories.
6. An extraordinary Full Council meeting was held on 4 February 2020 to consider term grant applications. At that meeting, terms grants were awarded to seven organisations, with a funding commitment of £60,000pa in years one to three, and a commitment of £53,000 in years four and five.
7. At the Full Council meeting on 25 November 2021, the 2021/22 budget was approved. Due to budget constraints and the need to make savings, the community grants' budget was reduced from £20,000 to £15,000 in 2021/22.

Report

8. As per the agreed timetable, public notices were placed in local newspapers, and the council's website, social media and noticeboards inviting local organisations to apply for a community

grant of up to £1,000 for 2021/22. Previous grant recipients were also written to and provided with an application pack.

9. The closing date for applications was 5pm on Monday 8 March 2021, by which time, 16 applications had been submitted.
10. A spreadsheet detailing the applications is attached, **appendix 5A**. Applications have been listed in alphabetical order.
11. The total amount requested is **£13,233.99**, against a £15,000 budget.
12. One of the council's requirements is that all organisations who receive a grant must submit an end of project form. All organisations in receipt of a 2020/21 grant and have also submitted an application for 2021/22 have submitted this form.
13. Members have also requested to be informed of which organisations have not claimed their grants. Both Turn Lyme Regis/Plastic Free Lyme Regis and Lyme Regis Majorettes have informed officers they would not be claiming their 2020/21 grant as Covid restrictions meant they could not carry out their projects. Both organisations have made new applications for 2021/22.
14. Copies of all the application forms are attached, **appendices 5B to Q**.
15. The supporting documents can be made available to members by email on request.

Adrianne Mullins
Support services manager
March 2021

LYME REGIS TOWN COUNCIL

COMMUNITY FUND GRANT APPLICATION FORM 2021

Please read the accompanying guidelines before completing this form

1. Name of organisation Axminster and Lyme Cancer Support
2. Name of person submitting the application Mary Kahn
 Position held in organisation Charity Managing Director
 Contact address _____

Telephone _____

Email _____

3. What are the main activities in which your organisation is involved?

We support anyone who is, or has been, affected by cancer, including relatives and carers, enabling them to cope with the challenges and stresses that this disease imposes. Our individual support is tailored to each person depending on their needs and can include counselling, complementary therapies to relieve symptoms or exercise programmes. We also deliver weekly drop-in sessions (currently held virtually) where clients can connect with others who share their experiences, worries and concerns and where we can sign-post them to allied services that may better meet their needs (for example, financial help). Our regular workshops provide targeted sessions to promote healthier living and ways to improve physical and mental well-being; examples are fermented foods, mindfulness, sleep and yoga. We also run creative writing workshops and art sessions where people can express themselves in a non-verbal format. All our support is offered to clients free of charge.

4. Please provide details of the project you require funding for

We have discovered that creative activities have a beneficial calming effect on clients, particularly for those who are continuing to isolate due to the pandemic. In the coming twelve months, we are planning to offer four sessions each of four creative workshops for 20 clients (160 people in total):

- Art (£250 per session = £1,000)
- Creative writing (£150 per session = £600)
- Card-making (£150 per session = £600)
- Floristry (£450 per session = £1,800)

We have successfully delivered these workshops virtually using Zoom video conferencing although we hope to deliver them at a venue where people can interact in person as Covid-19 restrictions are lifted.

5. Who will benefit from the project and how?

Anyone who is registered in our community as receiving active cancer care, and their relatives or carers, are eligible to take part in these workshops. It will improve mental well-being and provide a forum to meet other people, even virtually, where thoughts and experiences can be shared in a friendly and understanding environment. From feedback already received from our previous art and creative writing courses, we know that participation in these directed classes has a significant positive impact on those who take part. We are adding two more practical workshops for those who find art or writing too daunting. Our Christmas wreath workshops saw a wide demographic of participants including men and women, young and old, all of whom were delighted to have been able to take part in a festive activity in a safe and welcoming virtual environment.

6. Will a disadvantaged group benefit from the funding? If so, how?

We aim to address any inequalities by offering our workshops to all those affected by cancer regardless of financial standing or any protected characteristics recognised by equal rights legislation.

7. How would you intend to inform people you have received funding from the council?

We will publicise receipt of a grant from Lyme Regis Town Council on our website, Facebook page and in our newsletter.

8. Total anticipated cost of project £ 4,000

9. Amount of grant sought from Lyme Regis Town Council £ 1,000

10. Please give details of applications made to other grant-making bodies in respect of this project, if applicable

Date	Organisation	Amount sought	Granted?
02/10/2020	Hospital Saturday Fund	£1,000	Pending
26/11/2020	Woodroffe Benton Foundation	£500	Pending
15/01/2021	Steel Charitable Foundation	£500	Pending
15/01/2021	Local Connections Fund	£1,000	Pending

11. Please provide details of your organisation's fundraising events held in the last two years

Until March 2020, we held regular quiz nights and other fund-raising events including local fairs, jazz nights and coffee mornings. Also, until March 2020, we received funding via our collection pots in local businesses and venues. Since March 2020, we have relied largely on grant income and sales of our recipe book that became available to purchase through our online shop and other local outlets from November 2020.

12. Please tick to show you have included the following required information:
- a) Full project costs ☐ ☒
 - b) Copies of your governing information or constitution, if available ☐ ☒
 - c) Details of the organisation's financial status (only for applications over £500) ☐ ☒
13. Please tick if any other supporting information has been attached ☐
14. Please tick to confirm your organisations adheres to all relevant legislation and procedures, e.g. health and safety, risk assessments, safeguarding ☐ ☒

This form must be signed by two of the organisation's officers (e-signatures accepted)

Completed application forms and supporting documentation should be returned to Adrienne Mullins, support services manager, preferably by email to admin@lymeregistowncouncil.gov.uk or hard copies to Lyme Regis Town Council, Guildhall Cottage, Church Street, Lyme Regis, Dorset, DT7 3BS, no later than **5pm on Monday 8 March 2021. All applications will be acknowledged.**

LYME REGIS TOWN COUNCIL

MINOR GRANT APPLICATION FORM 2021

Please read the accompanying guidelines before completing this form

1. Name of organisation: Dorset Youth Association

2. Name of person submitting the application Dave Thompson
 Position held in organisation CEO
 Contact address County Headquarters
 Lubbecke Way
 Dorchester
 DT1 1QL

 Telephone
 Email

3. What are the main activities in which your organisation is involved?
 - Support for a network of voluntary youth clubs and groups in Dorset
 - Support for the wider Voluntary Youth Sector; weekly e-bulletin, bi-monthly Zoom Meetings and Annual Conference, general support
 - Targeted support for disadvantaged and vulnerable young people – (when funding permits)
 - Support for families – Family Link Worker Service
 - Fundraising to support children, young people, and families in Dorset.

4. Please provide details of the project you require funding for.
 We are requesting funding to contribute to the cost of the delivery of support services for youth clubs and groups. Last year we supported a network of 60 youth clubs and groups with 417 volunteers and 95 paid staff all of which are run by the Voluntary and Community Sector (VCS).

5. Who will benefit from the project and how?
 The Hub based in Lyme Regis receives support from DYA as and when required and our services are available to new and existing youth clubs and groups. The network supports over 4,000 children and young people.

The table below shows the essential support we offer:

Affiliation Process to DYA Issue Certificate of Membership

DBS clearance scheme (Criminal Records)
Advice on Community Consultation
Advice on Strategy and Planning
Support for volunteers who wish to establish new youth clubs or groups or maintain existing provision
A dedicated member of staff able to visit and support clubs (currently via Zoom)
Support with safeguarding issues
Support and advice on writing or updating a constitution
Good Practice Checklists – Template Policies and Procedures and help to write them. Now available online 24/7.
Health and Safety advice and guidance and help to complete risk assessments
Human Resources - Assistance recruiting volunteers and paid staff, template Job Descriptions, Person Specifications, advertising through the DYA Website and Weekly Alerts, etc.
Access to specialist training (Work with DCC) <ul style="list-style-type: none">✓ Safeguarding✓ First Aid✓ Youth Work
Daytime helpline
Access to a national low-cost specialist youth insurance scheme
Advice and help with Fundraising
Weekly e-bulletin with information on: <ul style="list-style-type: none">✓ Youth issues in Dorset, within the region and at a national level✓ Best practice✓ Training opportunities✓ Funding opportunities✓ Jobs
(Delivered by DYA for the VCS 0-25 Forum)
Access to <ul style="list-style-type: none">✓ Bi-weekly VCS networking meetings✓ Annual Conference
(Delivered by DYA for the VCS 0-19 Forum)

Additional Help and Support - DYA is an independent charity which has provided support for youth clubs and groups and support services since 1943. Staff and Trustees within DYA possess a range of skills which are beneficial to the establishment, management, and effective delivery of a broad range of services for children, young people and their families, and are very happy to consider all requests for support.

6. Will a disadvantaged group benefit from the funding? If so, how?

Children and young people are at greatest risk of harm and most likely to need protection. We are requesting assistance to enable us to continue to provide support for voluntary and community children and youth services in the most difficult financial period experienced by the sector in many decades. We provide a DBS service (Criminal Checks), Safeguarding help and advice, help with Risk Assessments, etc. See list of services under 5.

7. How would you intend to inform people you have received funding from the council?

We would welcome the opportunity to promote the support offered by Lyme Regis Town Council on our Website, in our Annual Report and via Social Media.

8. Total anticipated cost of project £ 35,000

9. Amount of grant sought from Lyme Regis Town Council £ 300

10. Please give details of applications made to other grant-making bodies in respect of this project

Date	Organisation	Amount sought	Granted?
Feb 2021	DC	23,092	23,092
Feb 2021	Valentines Charitable Trust	5,000	Pending
Feb 2021	Alice Ellen Cooper Dean CF (Long Term Supporter - no guarantee)	5,000	Pending
Annual	Affiliation Fees	1,500	1,500
Feb 2021	Lyme Regis Town Council	300	Pending
Ongoing	Donations	108	

NB: DYA has provided the service continually since 1943 and will work with partners and communities throughout the year to make it happen again this year.

11. Please provide details of your organisation's fundraising events held in the last 12 months.

Last year was a very difficult year for all charities to raise income for their regular services. Community and fundraising events were cancelled and larger local grant giving charities experienced a loss of income from investments which reduced the amount of funding they could provide. DYA worked hard to attract funding from a range of sources to ensure their sustainability.

Funders included:

- Lyme Regis Town Council
- Dorset Council
- Alice Ellen Cooper Dean Charitable Foundation

- The Valentines Charitable Trust
- Local Churches
- HMRC – Gift Aid
- Central government Furlough Scheme

12. Please tick to show you have included the following required information:

COMMUNITY FUND GRANT APPLICATION FORM 2021

1.	Name of organisation	Lyme Regis Jazz Festival/ Jazz Jurassica
----	----------------------	---

2.	Name of person submitting the application	Julie Sheppard
	Position held in organisation	Chairperson
	Contact address	
	Telephone	
	Email	

We host the annual 4-day jazz and blues festival in Lyme Regis over the late May Spring Bank Holiday weekend (28 - 31 May). The festival is run entirely by volunteers and is constituted as an “unincorporated association” with three directors, all of whom live in the town.

We receive no outside funding and rely on ticket sales, traders' fees and voluntary donations for income. Every year we stage 15 hours of free concerts on the seafront over the festival weekend to provide a platform for local musicians and for the benefit of local residents and visitors.

This “community” strand runs alongside ticketed concerts at Marine Theatre, which are self-financing in normal times.

We are asking LRTC for a modest contribution towards staging the community strand of the festival -15 hours of free music, open to all local residents and visitors.

Normally we finance the free strand of the festival through a combination of collections, traders' pitch fees and any surplus from ticketed concerts. But this year is very different.

We do not expect the same level of income from collections or any surplus from ticket sales because of limited audience numbers due to social distancing requirements. We estimate that projected income will fall by almost 50%. This will leave us with a shortfall in funding for this vital part of the festival.

The extra funding will contribute towards paying performers, sound technicians and hire of equipment.

5. **Who will benefit from the project and how?**

The community programme will feature local young musicians. Many of them have not had an opportunity to play together, or in front of live audiences, for over twelve months. With the help of BSharp, we will provide these young players with opportunities to perform alongside more experienced professional musicians.

It will also give many local semi-professional and professional musicians an opportunity for paid performances.

It will also give local residents and visitors the opportunity to finally enjoy live music in a covid-secure environment, irrespective of income.

Local residents and visitors will have an opportunity to appreciate the very high standard of musicianship on offer and support local musicians.

6. **Will a disadvantaged group benefit from the funding? If so, how?**

We hope to widen opportunities for young musicians from the local area, irrespective of income. This is particularly relevant to those playing jazz as there are few opportunities to improve and develop in semi-rural areas like ours compared with other genres of music.

We will also be giving special encouragement to young female jazz players who are currently under-represented.

The free concerts are accessible to all, with seats reserved for the infirm, those with disabilities and young children.

7. **How would you intend to inform people you have received council funding?**

Through our website (www.jazzjurassica.co.uk) and other social media platforms, printed programme, other ancillary publicity and through acknowledgement during the events.

8. Total anticipated cost of project £ 3,150

9. Amount of grant sought from Lyme Regis Town Council £ 450

10. Please give details of applications made to other grant-making bodies in respect of this project, if applicable

Date	Organisation	Amount sought	Granted?
30/10/2019	Lyme Regis Carnival – this contribution has been rolled over to 2021	£750	£500

11. Please provide details of your organisation's fundraising events held in the last 12 months. All fund-raising activities were suspended due to covid-19 restrictions.

3. What are the main activities in which your organisation is involved?

Landance animates outdoor spaces in West Dorset with high quality free contemporary dance performances for audiences from all social and cultural backgrounds.
We run free project related workshops in schools and libraries in local communities.
Projects combine skilled professionals with paid emerging artist assistant and associate roles, offering local young people valuable experience and an understanding of possible career pathways.

4. Please provide details of the project you require funding for

This project will encourage community cohesion.

Members of the community will come together to share excellent and engaging free live performances on their home patch, seeing their environment through artists eyes and inspiring them to treasure and nurture it. Local young people will gain experience working with professionals thus increasing their employability and confidence. The inter-generational quality of the project encourages sharing working practices and supporting learning as well as facilitating a sense of community within audience members of all ages.

This funding would contribute vital support for a Landance contemporary dance project, Landance in Lyme Regis, 2021, taking place in Lyme Regis this summer. This project involves free workshops in the local community, paid assistant & associate roles for local young artists and free fully accessible public performances along the seafront.

Professionals and local young people will collaborate to create two imaginative and resonant live dance performances in Lyme Regis, focusing on climate change, sense of place and how the two intertwine.

On Thursday 2nd and Friday 3rd September members from the local community in & around Lyme Regis will experience memorable free dance performances along the seafront. With audiences of 350 per performance, the total audience number will be 700.

Three online workshops with the project poet will be run in local schools and for adults, these are being co-ordinated and funded by project partners Dorset Library Service. They will engage over 180 members of the community, young and old, in creating poetry for the project.

Two workshops with the sound artist at the B-sharp Busking Festival will engage 40 local young people, encouraging them to attend one of the free performances with their families.

There will be five paid assistant/associate roles for local young artists. They will assist five skilled professionals in dance, music, poetry, design, producer and event management roles. For a period of 10 days, culminating in two evening performances, the creative team will collaborate on the seafront and in the Marine Theatre, which we will be hiring as a rehearsal space and project base, to create these two inspiring performances.

This project will explore ideas around sense of place, particularly in relation to the experience of climate change in a coastal community. We have developed a relationship with Plymouth University School of Biological and Marine Sciences who are giving us access to their research into Lyme Bay.

These performances will be thought provoking, encouraging a positive and informed approach to this pressing issue. These performances are intended to inspire thoughts of positive action, highlighting the beauty of the coastline and sea and the need to preserve it.

Two local youth dancers from previous Landance projects are key contributors to the research and development of this project. They are assisting the producer throughout the project, acquiring a valuable skill set in creating and producing projects. Their roles will include monthly development meetings, specialising as choreographer and producer/event manager assistants and dance performing roles, thus enhancing their future career prospects by widening their skills base.

A short film will be made to share online. Landance will explore the potential to tour this project next year, tailoring it to Dorset seaside towns, Torbay and Weston-Super-Mare.

These free dance performances will be fully accessible with beach wheelchairs provided if needed. They will be 45 minutes long and will be held in the evening.

Landance co-ordinates with local partners' outreach to attract a wide-ranging audience, reaching members of the community who may not usually attend live performance, with a marketing lead role and marketing plan in place which will be delivered by John Puckey, the experienced marketing manager at The Marine Theatre.

Experienced project and event managers run projects with full budget control, insurance, risk assessment, event management plans and child safeguarding in place.

5. Who will benefit from the project and how?

Members of the local community will benefit, by being able to take part in free online poetry workshops at school and through Lyme Regis Library, also in the free sound workshops at the B-sharp Busking Festival.

Local families can enjoy and experience live dance performance together in their own town, by attending one of the free performances to be held on the seafront in the evening of Thursday 2nd and Friday 3rd September. Landance performances lead the audience along a chosen route, creating a sense of community within the audience and bringing people together. Local young people will be able to work in paid assistant roles within the project, offering connections with professional practitioners and an understanding of possible career pathways.

6. Will a disadvantaged group benefit from the funding? If so, how?

By running these performances free we are offering low income families the opportunity to attend high quality contemporary dance performances on their doorstep during the summer holidays. Equally they will have the opportunity to take part in the free workshops. These performances will be fully accessible, with support offered from volunteer stewards and the potential to use a beach wheelchair if needed.

Everyone can attend these free performances which will be widely advertised locally to encourage members of the local community from all walks of life to attend.

7. How would you intend to inform people you have received funding from the council?

We will print posters to put up around town and nearby villages. All of our advertising includes the logos of the organisations supporting the project.

8. Total anticipated cost of project £32466, plus £4882
confirmed in kind not included in the amounts below= total: £37348

9. Amount of grant sought from Lyme Regis Town Council £1000

LYME REGIS TOWN COUNCIL

COMMUNITY FUND GRANT APPLICATION FORM 2021

Please read the accompanying guidelines before completing this form

1. Name of organisation Lyme Regis Boat Building Academy
2. Name of person submitting the application Will Reed
3. Position held in organisation Principal
Contact address Monmouth Beach, Lyme Regis DT7 3JN
4. Telephone 01297 445545 Email will.reed@boatbuildingacademy.com
- 5.

6. What are the main activities in which your organisation is involved?

The BBA's mission statement is as follows:

"To teach men and women to build boats and design and make furniture of the highest quality to accepted industry standards using traditional and modern methods and materials, thus enabling our students to fully realise their potential"

The charity objects are:

- a. *To advance the education of the public in the art, craft and science of boat building, fine woodworking and related skills;*
- b. *To educate young people through the provision of sailing or sailing related activities and other training to develop their physical, mental and social capabilities.*

Please provide details of the project you require funding for

*Adverse Covid impacts have meant that the LRBBA has lost £300,000 in reduced income and unexpected costs to enable it to operate under Covid restrictions, putting the financial viability of the LRBBA and its jobs, at serious risk. Funding is needed to convert first floor accommodation into classroom/workshop space and extend the mezzanine over the ground floor workshop which will help overcome this problem. This will enable students to spread out and recruitment of the full cohort of students, [rather than just 50% at present], with resulting fee income sustaining the business and safeguarding the jobs. The total cost is £63.800+VAT =£76,560 **see full breakdown below***

Without this work, 2020 losses will persist, damaging further the financial position of the Academy which is an important activity in Lyme Regis with 12 high quality, skilled and stable jobs., skilled and stable jobs that has supported the local economy, for 20 years. DCC's October 2020 Economic Impact Assessment advised that the Academy provides " £1.35 million GVA to the local economy and supports 39 full time equivalent jobs."

It is also important to emphasise that notwithstanding the development of Covid vaccines, given the extensive time that the roll out of the vaccination programme in the UK will take, [which it is understood will extend into 2022], there is still an urgent need for the required works, to keep students socially distanced for the foreseeable future.

Who will benefit from the project and how?

The beneficiaries of the grant will be all the students on all courses offered by the Academy and who at present are barred from attending, due to the space limitations and social distancing requirements. Once the Academy is up to full operations strength, there are further plans to provide a new building in the

courtyard which will enable the BBA to broaden out its work further, with courses designed for the local Lyme Regis and Dorset community, for example, to provide schools with an opportunity to educate pupils about careers in boat building and furniture making, including lectures/discussions with those already working in the industry; notably younger ex-students who could inspire and motivate the next generation.

Will a disadvantaged group benefit from the funding? If so, how?

As noted above, the BBA is also committed to expanding, improving and diversifying the opportunities at the Academy and it aims to target its courses to a more diverse groups of potential students, with the intention of targeting other groups, particularly those from disadvantaged backgrounds, both young people and those who may be having to retrain due to Covid generated redundancies, through the provision of more bursaries. The BBA intends to work with other charities, local authorities, the employment service and housing associations, to target those who may benefit from and be interested in BBA training. The BBA has in the past also attracted a number of ex-service personnel, who may be challenged when they leave the services and are looking for a new career and this will continue.

The aim is also to provide more bursaries and to provide new work opportunities as at present the BBA is able to provide 4 bursaries of 50% fees, to students on both the boat building and furniture making courses. A key objective in the new strategic plan is to secure more external funding, specifically for more bursaries for disadvantaged students and this will be made much easier with the additional space provided.

7. How would you intend to inform people you have received funding from the council?

Website, Facebook press releases and in manner to be agreed with LRTC

8. Total anticipated cost of project - **See Breakdown Below** £ 76,560

9. Amount of grant sought from Lyme Regis Town Council £ 1000

2. Name of person submitting the application Cheryl Reynolds

Position held in organisation _Co-Ordinator

Contact address _

Telephone

Email

3. What are the main activities in which your organisation is involved?

Since March 2019, we have shopped; collected prescriptions; walked people and their dogs; talked in gardens socially distanced with residents; cleaned out fish ponds and bird aviaries; arranged transport for hospital and medical centre appointments, worked with the medical services, the pharmacies, problem solved, signposted and made 30-40 wellbeing calls weekly, supplied Christmas Lunches to lonely, vulnerable and disabled residents.

More recently, we have made soup. Our volunteers have delivered over 140 portions every fortnight since the beginning of January which we continue to do.

We have plans to continue to develop even better community-building. We are applying to become a CIO to provide more opportunities for our residents to become better connected and engaged in the community, to learn and develop.

4. Please provide details of the project you require funding for

During our time volunteering we have found some of our elderly residents have no access to internet services.

We now want to help with more social inclusion by providing laptops and tablets to our residents. We have offers of second hand ones that we can get set back to factory settings and want to purchase new ones to go along with this.

We have plans to continue to develop even better community inclusion. We are applying to become a CIO to provide more opportunities for our residents to become better connected and engaged in the community, to learn and develop. We plan an information source that is physical to run alongside the new online services being provided by Lyme Forward, to ensure all the relevant community groups, local organisations and town and county council services are easily available and accessible to everyone.

Therefore there is a need for a digital inclusion project. Many of the residents we support on a weekly basis have no internet access, computer equipment or Smartphone, so are unable to reach and access services and information.

Once covid restrictions have ended, regular drop-in training sessions on using Smartphones, lap tops and tablets, on accessing services online and on using social media to keep in touch, could be established at the local community centre, as well as one-to-one in people's homes. So, help with purchasing equipment for this project is paramount.

We will still be doing shopping; collecting prescriptions; delivering soups every fortnight for the vulnerable and referring concerns to health and social care teams; signposting and working with other organizations in the town as we have done throughout. Undertaking weekly well-being calls and organising transport. The health and well-being of the people of Lyme Regis will always be our core purpose and we hope to develop the strength and resilience of our community even more in future.

5. Who will benefit from the project and how?

The elderly community who do not have access to internet facilities and this can help with isolation and social inclusion. We have a resident who didn't think this would be appropriate and that she would be unable to use a tablet and now talks to friends and relations all over the world and we will be prepared to get people to talk to others to show them how it can be achieved and provide instruction

6. Will a disadvantaged group benefit from the funding? If so, how?

The elderly are often disadvantaged due to isolation, disability and illness and during this Covid outbreak has allowed us to see just how much isolation there is and that often happens with illness and disability even when there are not extreme circumstances like Covid.

7. How would you intend to inform people you have received funding from the council?

The local Newspaper/Lyme On Line/Online - Facebook pages, our own page and other local pages and local organisation newsletters

8. Total anticipated cost of project £ £1,079.88_____

9. Amount of grant sought from Lyme Regis Town Council £1,000_____

10. Please give details of applications made to other grant-making bodies in respect of this project, if applicable

£1,000 from South west Water- still awaiting result.

£500 from Neighbourhood Watch not yet submitted closing date 30th

11. Please provide details of your organisation's fundraising events held in the last two years

March. Due to the amount of work we have had to do over this COVID year events have not happened. Hopefully if we become a CIO and Covid is dealt with we will be able to consider fund raising events then

12. Please tick to show you have included the following required information:

LYME REGIS TOWN COUNCIL

COMMUNITY FUND GRANT APPLICATION FORM 2021

Please read the accompanying guidelines before completing this form

1. Name of organisation Lyme Regis Development Trust - Community Workshop
2. Name of person submitting the application Dorothy Wood
 Position held in organisation Trustee and organiser of the Community Workshop
 Contact address
 Telephone
 Email
3. What are the main activities in which your organisation is involved?

 Running a Community Workshop - fully equipped for wood turning and small carpentry projects at highly subsidised rates
4. Please provide details of the project you require funding for

 To ensure the ongoing safety of our users we are needing to invest in some safe and secure storage for the workshop, and also an external store for Wood and projects under construction.
5. Who will benefit from the project and how?

 Local people from the community will be able to access the facility to use the equipment, learn new skills, brush up on old ones, meet people and socialise. We aim to replicate the mens shed organisation but make sure it is known that our shed is for everyone in the community.
6. Will a disadvantaged group benefit from the funding? If so, how?

 The shed scheme has proved to be a fantastic benefit for those individuals who are in need of social interaction in that it can help to eradicate loneliness. It is also of great benefit to those who are recovering from or suffering from medical conditions which mean that cannot do a lot of things they used to do. We currently have three individuals who are regular users who have had mental health and anxiety issues that have been helped with being part of the Community Workshop.
7. How would you intend to inform people you have received funding from the council?
 We will add the council logo in our promotional and publicity material. The Council logo already appears at the HUB where the workop is housed, but we will add another onto the Workshop itself. We will also inform visitors to our website that the project has been funded by the Town Council. Lastly we would also welcome a photo opportunity with the Mayor or other Councillor to promote both the Workshop and the Town Council

8. Total anticipated cost of project £ 999

9. Amount of grant sought from Lyme Regis Town Council £ 999

10. Please give details of applications made to other grant-making bodies in respect of this project, if applicable

Date	Organisation	Amount sought	Granted?
	None at this stage although we will be applying to other funders as the year progress for individual projects		

11. Please provide details of your organisation's fundraising events held in the last 12 months
At present we have relied on grant applications but when lockdown is over we will be starting to produce items for sale e.g. Wood turned bowls, chopping boards, engraved logos on wood, metal or plastic, kitchen implements and bigger items such as bird boxes and flower planters

12. Please tick to show you have included the following required information:

LYME REGIS TOWN COUNCIL

COMMUNITY FUND GRANT APPLICATION FORM 2021

Please read the accompanying guidelines before completing this form

1. Name of organisation LYME REGIS GIG CLUB
2. Name of person submitting the application MR MARCUS DIXON
 Position held in organisation FOUNDER AND TRUSTEE
 Contact address SPRING HOUSE, VENLAKE, UPLYME
DT7 3SD
 Telephone 07771 861501
 Email MARCUSDIXON@33029416.COM

3. What are the main activities in which your organisation is involved?
LYME REGIS GIG CLUB is a charity established in 2007 to give local people the opportunity to participate in the healthy sport of Cornish Pilot Gig rowing. The Club offers local people a low cost way of having fun, keeping fit, being part of a team, enjoying and learning about the sea and competing in the south west's growing sport.

4. Please provide details of the project you require funding for
The object of the project is to equip one of the Clubs Cornish pilot gig with a set of sails along with spars and fittings. Before the pandemic the Club raised funds for the masts and fittings. The project will open new sea facing opportunities for local people.

5. Who will benefit from the project and how?
LYME REGIS GIG CLUB offers people from 8 to 80 the opportunity to participate in the sport. The sails will enable the club to offer new skills, expertise and adventures. The club is looking to develop the YOUTH section in partnership with Woodroffe School and THE HUB. The rowing/sailing will add to what we can offer local young people.

6. Will a disadvantaged group benefit from the funding? If so, how?
LYME REGIS and surrounding area does not have a ten an accessible sports centre, and local people, particularly women have few opportunities to take part in team sports. LYME REGIS GIG CLUB offers the sea as a medium for sports participation. The club is committed to benefiting all disadvantaged groups as far as is possible.

7. How would you intend to inform people you have received funding from the council?

LYME REGIS GY CLUB will inform people about the funding through our WEBSITE, TEAMSNAP EMAIL, Social Media and local online and print newspapers

8. Total anticipated cost of project £ 1,935

9. Amount of grant sought from Lyme Regis Town Council £ 985.00

10. Please give details of applications made to other grant-making bodies in respect of this project, if applicable

Date	Organisation	Amount sought	Granted?

11. Please provide details of your organisation's fundraising events held in the last two years

LYME REGIS GY CLUB has held two Jumble Sales, the last in February 2020, the CWD raises money at events however these have not been possible over the last year

12. Please tick to show you have included the following required information:

All applications will be acknowledged.

LYME REGIS TOWN COUNCIL

COMMUNITY FUND GRANT APPLICATION FORM 2021

Please read the accompanying guidelines before completing this form

1. Name of organisation: Lyme Regis majorettes

2. Name of person submitting the application: Tanya Rattenbury
 Position held in organisation: Chairperson
 Contact address:
 Telephone:
 Email:

3. What are the main activities in which your organisation is involved?
 The Lyme Regis Majorettes are a non-profit making group who have been providing youth services to Lyme Regis community since 1982. The aim of our troupe is to promote twirling, dance, choreography, and fitness as well as promoting Mental well-being.
 We also develop team work, loyalty, commitment, respect, self-confidence and most of all enjoyment.

4. Please provide details of the project you require funding for
 As you will probably know our troupe takes part in many carnivals across Devon, Dorset and Somerset and many daytime events and our season starts at Easter with the Lyme Regis Easter parade and finishes with the Lyme Regis own Christmas lights switch on.
 The Lyme Regis Majorettes is run by a volunteer committee and running costs for costumes, shoes, coats, training t-shirts, transport and hall fees are always increasing. As last year we are still in need of upgrading our music system and unfortunately Covid-19 got in the way.

5. Who will benefit from the project and how?
 As you will probably know our troupe takes part in many carnivals across Devon, Dorset and Somerset and many daytime events and our season starts at Easter with the Lyme Regis Easter parade and finishes with the Lyme Regis own Christmas lights switch on.
 The Lyme Regis Majorettes is run by a volunteer committee and running costs for costumes, shoes, coats, training t-shirts, transport and hall fees are always increasing. As last year we are still in need of upgrading our music system and unfortunately Covid-19 got in the way.
 Enabling our music system to be upgraded will mean that our young members will be able to regain togetherness, exercise and improve mental well-being. (providing Covid restrictions are lifted).

6. Will a disadvantaged group benefit from the funding? If so, how?

We are a group that welcomes people from disadvantaged families where money is tight and so we try to support these families the best we can. Many of our families would struggle with the cost that is included in a young person's clothing and equipment each year and we fundraise to try and provide these things so the financial strain is less.

7. How would you intend to inform people you have received funding from the council?

Social media is a great way to get news and information across we would also use local/national news.

8. Total anticipated cost of project £2881.98 plus VAT

9. Amount of grant sought from Lyme Regis Town Council £1000

10. Please give details of applications made to other grant-making bodies in respect of this project, if applicable

Date	Organisation	Amount sought	Granted?

11. Please provide details of your organisation's fundraising events held in the last two years. We have held a bingo, car wash and a beach stall but due to covid nothing has been able to be done in the last year although we have plans for more as soon as we can, knowing well that money will be tight for everyone.

12. Please tick to show you have included the following required information:

Email

3. What are the main activities in which your organisation is involved?
We utilise the skills of artists to help make society better. Arts and Culture is vital for everyone. It shapes our communities, improves our wellbeing and creatively solves some of our most immediate global issues. We at the Arts Development Company strengthen the arts and culture sector and develop innovative, collaborative and creative solutions that transform people, place and community.

We do this by:

- Commissioning new arts events, experiences and public spaces
- Exploring and sharing innovative ways to fund arts and culture in the U.K
- Connecting arts and culture with business, tourism, health and environment sectors.
- Supporting the development of the arts and culture sector through networks, resources and mentoring.
- Sharing our experiences and expertise to develop the arts in the rural areas.
- Advocating for the enormous impact and value of arts and culture, both in Dorset and nationally.

In Lyme Regis specifically, we curated the sculpture trail in Langmore Gardens; we commissioned all of the seating and animal housing for River Lym walk between Lyme and Uplyme (part of the DCF connecting communities bid). Recently we completed a consultancy at the Town Mill, looking at how their arts programme could be developed.

4. Please provide details of the project you require funding for

To continue the sculpture trail in Langmore and Lister Gardens. It is getting a great regional reputation and is an established part of Lyme Regis's cultural offer.

5. Who will benefit from the project and how?

Lyme residents and visitors will continue to benefit from the sculpture trail . We have had so much fantastic feedback and the sculptures are well loved and popular.

In the last year's trail we included an opportunity where the public could engage with the artist, Vicki Westwat whilst she made her piece called 'Tree Pods' on site. Whilst there, she collected feedback from the public:

'It was a great few days I chatted to so many people about the Treepods as well as the other artworks in the trail. I think I must have spoke to nearly one hundred people over the three days. Having an on-site installation really seemed to capture people's imaginations as some people came back day after day to see how I was progressing. Some lovely quotes from some of people I chatted with, in case you want to feed them back to the town council or funders:

From visitors to the gardens:

'with the current events, its things like chancing upon this sculpture and the others in the park, , that's be lifting my spirits, so please keep doing this'

" This is so positive to see, I have to say seeing public art does make me happy"

"That is beautiful, I love these gardens and trail is just gorgeous "

" it's so nice to see covid hasn't destroyed everything that was planned this year"

" I love the fact this will be used by the wildlife, I think there should be more things like this, it's refreshing to see natural artwork when you see so much plastic art as part of town trails"

'With the covid19 restrictions, enjoying outdoor life has been ever more important'

I've also been informed of two beautiful anecdotes:

One army veteran with severe mental health problems, regularly visits *The Reader*. He sits next to her chatting. According to the Park Rangers, this has very much helped the Veteran and he's worried the sculpture will leave.

Another regular visitor to The Reader is a young girl, who gives her a different book to read each time.

The town benefits from the sculpture trail, as when towns invest in culture, it makes that town different from others – it shows that there is care and an interest in making our environments high

quality places to be in. It also contributes to the offer of Lyme Regis in terms of cultural tourism and another asset that LRTC can be proud of.

6. Will a disadvantaged group benefit from the funding? If so, how?

The gardens are open to all, so I very much hope all people, including disadvantaged people will utilise them. One lovely story I heard from Pete Williams, Head of Parks for LRTC

There is a Veteran who comes to the park daily to see 'The Reader', one of the sculptures. This man has poor mental health and apparently by visiting this sculpture everyday helps him. A girl also regularly visits the Reader and brings a different book for it, so it can read something different!

The park is free to access, so it is great for everyone regardless of disposable income.

If we could get enough funding we would like to increase the participatory offer, so that disadvantaged groups could work with an artist to make a piece on site.

Last year, part of the programme was for Woodruffe Students to work with the artist on site, but unfortunately with covid, this was not possible. However we are very keen to re implement this, so that people have an opportunity to learn from artists and participate in creativity.

7. How would you intend to inform people you have received funding from the council?

We will do a press release and announce it across all of our social media platforms. It is important to recognise the support from Councils, and we are very good at acknowledging their support as we fully appreciate that budgets are tight.

8. Total anticipated cost of project £8,000

9. Amount of grant sought from Lyme Regis Town Council £1,000

10. Please give details of applications made to other grant-making bodies in respect of this project, if applicable

Date	Organisation	Amount sought	Granted?
	We tried a different way of raising funds – by asking local businesses for sponsorship – unfortunately with the covid restrictions and financial impact on businesses, this has not been possible.		
	The funding grants we used to be eligible for, moved their primary funds to directly helping people from the impact of poverty, because of covid.		

11. Please provide details of your organisation's fundraising events held in the last two years.

We have tried to get funding from local businesses to pay towards this trail , however with Covid and the financial impact on businesses, this is no longer possible.

12. Please tick to show you have included the following required information:

- a) Full project costs y ☐
- b) Copies of your governing information or constitution, if available y ☐
- c) Details of the organisation's financial status (only for applications over £500) y ☐

13. Please tick if any other supporting information has been attached y ☐

14. Please tick to confirm your organisations adheres to all relevant legislation and procedures, e.g. health and safety, risk assessments, safeguarding y ☐

This form must be signed by two of the organisation's officers (e-signatures accepted)

All applications will be acknowledged.**

LYME REGIS TOWN COUNCIL

COMMUNITY FUND GRANT APPLICATION FORM 2021

Please read the accompanying guidelines before completing this form

1. Name of organisation The Parish of The Most Holy Trinity

2. Name of person submitting the application Fr. Anthony Cockram
 Position held in organisation Parish Priest
 Contact address
 Telephone
 Email

3. What are the main activities in which your organisation is involved?
 The Parish of The Most Holy Trinity was created on the 1st April 2020 from the three parishes of Axminster, Lyme Regis & Seaton. It sits within the Plymouth Diocesan Trust (registered charity no. 213227) also known as Plymouth Diocese. Under Canon Law, each parish is administered as a single entity and has its own separate accounts.
 Within the Lyme Regis community, the parish role is to provide spiritual and religious support to local and visiting Catholics as well as supporting the whole community, particularly the disadvantaged, the vulnerable, the elderly, families and the poor

4. Please provide details of the project you require funding for
 Work is in process at the moment to restore the exterior of St. Michael & St. George RC Church, Silver Street, Lyme Regis DT7 3HS which is a Grade 11* listed building with the assistance of grants from the Historic England Culture Recovery Fund and the Town Council, amongst other sources. This work has to be completed by the 31st March 2021 as a condition of the CRF grant. The funding was not sufficient to cover the costs of the interior repairs and redecorations which the Parish is seeking to carry out in Spring 2021. Further funding has been announced by the CRF to which an application has been made; if successful, work has to be completed by 30th June. This application to the Town Council is to seek help towards the costs of the works which comprise;-
 - a) Investigation into cracking to the plasterwork & repairs
 - b) Investigation into damp penetration & repairs
 - c) Repairs and strengthening to balcony overlooking High Altar
 - d) Repairs to stained glass windows
 - e) Redecoration of interior

5. Who will benefit from the project and how?
- a) The current and future congregation. Normal numbers about 60 on Sundays swelling to over 100 at Christmas & Easter
 - b) Visitors & tourists to Lyme Regis who will have an historic Church restored internally and externally.
 - c) The Town of Lyme Regis by improving its heritage.
 - d) School children and other students who will be able to have conducted tours as part of their education and awareness of local history.
 - e) Local groups & organisations, historians and those interested in historic buildings
 - f) Lyme Regis Tourist Office and museum which will have the opportunity to direct visitors and tourists to a refurbished heritage building through arranged tours.

6. Will a disadvantaged group benefit from the funding? If so, how?
- A well maintained and beautifully decorated Church, which will be open to the public throughout the day, provides a welcome to those in need of spiritual sustenance. It is a place where people who are in need of help can meet. There is not one specific group that the Parish aims to assist but its charitable objects apply to all those in need as outlined in paragraph 3 above.

The Church buildings include The Old School Room which is available for use by organisations and meetings. It has a large room with seating and tables, a kitchen and washroom facilities. There is a ramp access to this room and the Church from the car park.

7. How would you intend to inform people you have received funding from the council?
- Through the Parish website, articles in newspapers and other publications, Parish newsletter and by notices at the church

8. Total anticipated cost of project £95,000

9. Amount of grant sought from Lyme Regis Town Council £1,000

10. Please give details of applications made to other grant-making bodies in respect of this project, if applicable

Date	Organisation	Amount sought	Granted?
Oct 2020	Allchurches Trust Ltd	4,500	yes
Nov 2020	National Churches Trust	Up to 50,000	awaited
Jan 2021	Cultural recovery Fund	Max available towards total cost	awaited

11. Please provide details of your organisation's fundraising events held in the last two years
- Christmas Raffle, social lunches, Appeals, auction of signed prints, sale of Christmas cards,

12. Please tick to show you have included the following required information:

LYME REGIS TOWN COUNCIL

COMMUNITY FUND APPLICATION FORM 2021

1. Name of organisation: TURN LYME GREEN/PLASTIC FREE LYME REGIS (TLG/PFLR)
2. Name of person submitting the application: Grenville Barr
 Position held in organisation: Treasurer
 Contact address: Fieldside, Rhode lane, Uplyme, DT7 3TX
 Telephone: 07850 368949
 Email: Grenvillebarr@yahoo.co.uk

3. What are the main activities in which your organisation is involved?

Raising the profile and increasing knowledge of environmental matters that directly affect residents and visitors to Lyme Regis

TLG is a community environmental group. It meets formally every month and hosts; talks, workshops, films as well as holding community events such as, beach cleans and supporting other organisations events that have a green and Environmental/Sustainability/Community focus.

TLG has a website and sends out regular newsletters.

In 2018 TLG set out to obtain Plastic Free Community status via the Surfers Against Sewage accreditation scheme. This was successfully achieved in June 2018, the 24th in the UK and first in Dorset.

A report on our activities in the 2019/20 has been submitted in our Grants End of Project form.

Please note our submission is based on the assumption that we come out of significant Covid 19 restrictions & is subject to the timing of such and detailed discussions about what may then be possible. It is all provisional at this time.

4. Please provide details of the project you require funding for:

4.1 Further extending public knowledge of environmental matters through education and raising awareness in Lyme Regis:

4.2 Continue our work in persuading and helping business and the public reduce the amount of single-use plastic (SUP) they use. Attend, be represented at and organise various public events, fetes etc.

4.3 Further integrate and raise awareness, with community organisations to encourage a reduced or (SU) plastic-free lifestyle. Help events & festival organisers avoid creating SUP and other unnecessary waste. Encourage further adoption of the "refill" scheme providing free tap water refills to the public.

4.4 Present another evening of informative entertainment about the Ocean & aspects of pollution & conservation entitled 'Sea What's there' at the Marine Theatre. This will have a specific focus on connecting with local schools, as well as the general public, and will offer subsidised tickets for pupils.

4.5 Obtain & present a number of film nights showcasing environmental & sustainability films. These will be aimed at the whole of the Lyme Regis community to endeavour, include & persuade more people of our council's commitment to addressing the declared climate emergency.

4.6 Consider the viability of a community meal, again with a focus on local sustainability, to broaden knowledge & integration with all.

4.7 As part of our 'Sea Front Action Plan' we also intend working with public houses and food traders to encourage the use of more eco-friendly single use or 'keep' cups, including seafront "concessions".

4.8 We will continue our own local supporters scheme recognising businesses who have reduced some single-use plastic & are working towards achieving the SAS award.

4.9 Continue producing reusable bags, ('Boomerang' bag made from recycled material), for independent retailers in the community, in addition to our muslin 'Freggies' bags to replace Single Use Plastic (SUP) plastic bags for fruit & vegetable shopping.

4.10 Ensure regular publicity through social media, newspapers, local radio and TV of PFLR activities to encourage business and community involvement, maintain a sense of pride in the community and support the Council's own tourism strategy

4.11 We will invest in materials for community art projects during Carnival Week.

4.12 We intend to have a 'float' at the carnival procession for 'Plastic-Free Lyme Regis'.

4.13 We will continue with Litter picking days and continue assisting with beach cleans. We will work with the Town Mill to introduce a Green Day at the Mill.

4.14 We will maintain our PFLR website giving more detailed information about our initiatives as well as our Facebook pages.

4.15 We will maintain PFLR status under the SAS accreditation scheme.

N.B. A list of possible activities is attached to this document.

5.0 Who will benefit from the project and how?

Lyme Regis' businesses, visitors and residents, both young and old. The information provided through events, talks, films, traditional print and social media plus websites will offer practical solutions and show how making simple changes in our lives, in our shops, offices and homes, can improve our environment to benefit everyone and future generations. We believe businesses especially will benefit from public support of their steps to reduce the use of plastic products. Extending our reach into Schools and other educational establishments will further consolidate the benefits of our activities.

We will make specific reference to any grant funding received from LRTC. We will make specific reference to LRTC having eliminated all SUP from their offices, were practical and affordable.

The high-profile SAS Plastic-free 'brand' for Lyme as an environmentally "Good Place" will contribute to the town's reputation, make it more attractive to high-end tourism and thus benefit all businesses indirectly.

6.0 Will a disadvantaged group benefit from the funding? If so, how?

No specific disadvantaged group will directly benefit.

7.0 How would you intend to inform people you have received funding from the council?

Support from the council is a prerequisite of LR continuing to hold Plastic Free Community status under the Surfers Against Sewage accreditation scheme. So we will ensure that reference to its continuing financial support and sponsorship is incorporated into all our publicity and promotional materials – both online and in print.

8. Total anticipated costs	Circa
	£1,500.00
9. Amount of grant sought from Lyme Regis Town Council	£500.00

10. Please give details of applications made to other grant-making bodies in respect of this project.

- Lyme Bay Holidays: £500.00
- Lyme Splash/Sea What's There: £400.00

11. Please provide details of your organisation's fundraising events held in the last 12 months

Appended is a draft, and evolving possible events schedule for 2021. We will be fund raising at all of these events. Covid curtailed any fundraising events during 2020.

12. Please tick to show you have included the following required information:

- | | |
|--|---|
| a) Full project costs: BUDGET PROJECTION ATTACHED | ✓ |
| b) Copies of your governing information or constitution: | ✓ |
| c) Information related to your organisation's financial status | ✓ |

13. Please tick if any other supporting information has been attached Nil

Please tick to confirm your organisations adheres to all relevant legislation and procedures, e.g. health and safety, risk assessments, safeguarding ✓
