FREE BEACH WHEELCHAIR HIRE IN LYME REGIS

MAKING LYME REGIS ACCESSIBLE FOR ALL

Two beach wheelchairs, a floating wheelchair and a transit chair are available to hire from the town council.

The all-terrain wheelchairs can be hired for free by those who have trouble getting onto the beach and into the water. The **best news** is that the service is absolutely free of charge!

They can be reserved in advance through the town council office on 01297 445175 or at enquiries@lymeregistowncouncil.gov.uk, or on the day if they are not already booked out.
